

Type U9DA-1

DA

Strong and durable deadbolt mortise locks.

Functions

Mountable cylinder	Model	Outside	Sketch	Inside	Applications
U9 PR(-J) JN LB(-J)	DA-1	Cylinder		Thumb-turn	Auxiliary security locks
U9 PR(-J) JN LB(-J)	DA-2	Cylinder		None	Auxiliary security locks, inspection doors
	DA-3	None		Thumb-turn	Auxiliary security locks, terraces
U9 PR(-J) JN LB(-J)	DA-4	Cylinder		Cylinder	Auxiliary security locks
	DA-5	Thumb-turn		Thumb-turn	Evacuation doors
	DA-6	Emergency device		Thumb-turn	Toilets
	DA-8	Emergency device with indicator		Thumb-turn	Toilets

Note : We also offer a dummy cylinder type. Please write a "D" at the end of the unit code when ordering the set.
Model example: Type DA*-2D.

DN

Type U9DH-1

DH

Top quality deadbolt mortise locks.

■ The DH Series is operated through the same key operation as the MH and LH Series, thus making it ideal for use as an auxiliary security lock for those series.

Functions

Mountable cylinder	Model	Outside	Sketch	Inside	Applications
U9 PR(-J) JN LB(-J)	DH-1	Cylinder		Thumb-turn	Auxiliary security locks
U9 PR(-J) JN LB(-J)	DH-2	Cylinder		None	Auxiliary security locks, inspection doors
	DH-3	None		Thumb-turn	Auxiliary security locks, terraces
U9 PR(-J) JN LB(-J)	DH-4	Cylinder		Cylinder	Auxiliary security locks
	DH-6	Emergency device		Thumb-turn	Toilets
	DH-8	Emergency device with indicator		Thumb-turn	Toilets
